5. OTHER BUSINESS:

- A. Investigator's Report – Presented by Mike Greene. Ralph Emus requested a report to the Board on the status of the 118 NOV year-to-date. Director Cassidy advised the report would be presented at the next Board meeting. There was much discussion on what happens to those shops served with NOV's. It's the assumption of some that nothing is done to force the shops to comply.
- B. Legislation Update – Presented by Director Cassidy. Questions fielded from Mr. Weber, Chairman DeRolph. Dennis Sterwerf suggested the Board members contact their local Legislators for support of HB 208.
- C. Paintless Dent, Glass, and Mobile Airbag Repair – Director Cassidy gave a report on the status of mailing out letters and increasing enforcement on those who have not complied. There was discussion on ways to contact sub-contractors and small PDR's.
- D. Consolidation into Department of Commerce Update – Director Cassidy gave the Board an update and fielded questions.

- E. Newsletter – Director Cassidy passed around the draft copy of the first newsletter. The Board and visitors present reviewed the draft. All agreed to send the newsletter out as drafted.
 - F. Permit by Rule – Discussion was led by Dennis Sterwerf and a copy of the news release was reviewed. Mr. Sterwerf suggested the information should be forwarded to shops through the registration process. Director Cassidy agreed and also said it would be placed on our website.
 - G. Do it Yourself Auto Centers – Dennis Sterwerf led the discussion on “Painters Lane” a new business in Fairfield County.
 - H. Transportation Systems Futuring Panel – Mike Greene explained the panel he attended September 26.
 - I. 800 Telephone Line Installation – Dave Weber expressed his interest in the Board having a toll-free number. Director Cassidy explained the costs involved. Discussion was costs verses benefits. The idea was tabled for the moment.
